Region 8 Iris Sale cancelled for '07

Tilling Thyme our hosting garden club partner in Sparta WI. determined to it can only host our joint sales effort every other year. This year they hosted a major garden tour and this project has drained their resources. We really appreciate their partnership and we appreciate their efforts with our group.

After some effort to find an alternate hosting organization and site we have cancelled the Region 8 Sale this year.

Remember to visit our Region 8 web site via the AIS website www.irises.org or directly at www.aisregion8.org
